in the Forrest Knolls neighborhood
Wheaton, Maryland

By Richard Renner.

My wife, Laura Yeomans, and I are moving in May to Durham, North Carolina. Our daughter, Jennie, is expecting a second child in June. We are looking forward to more time with grandchildren!

We are now selling our brick house in Forest Knolls, Silver Spring, without using a realtor. We have 1900 square feet and another 600 square feet in an unfinished basement. It has a split-foyer rambler with

wood floors and a brand new roof. It has 4 bedrooms and 2.5 bathrooms. \$595,000. The backyard has a rustic garden enclosure perfect for gardeners. The property includes beautiful forest land and abuts the Northwest Branch trails which connect to the Rachel Carson Greenway Trail.
